## It's oh so quiet...

Dear Parents,

Just a short one this week as due to the strikes we have only had the full school in once this week. It has been very quiet in school. We have missed you all!

### Parents Afternoon.

It doesn't seem two minutes since the Autumn Term Parents Afternoon. This term will take place on the 30<sup>th</sup> March (last day of term for Flexi children) and there will be a booking system with Miss Lloyd as per usual. Parents afternoon will start at 1.15pm. Please email Miss Lloyd if you have a preference on time, otherwise you will be allocated a slot by ourselves. If you are unable to make that day please let Miss Lloyd know and we will see if we can find a more suitable date/time. There will be PE club after school on the Thursday until 4pm should you need child care. Please remember that if your child is flexi, you can bring along any work/photo's of activities your children have been doing if it helps discussion. The majority of you now access Showbie and do this that way, but we are always interested to see how we can work together further to help your child progress.

### Tenor Horns.

Please note that Tenor Horn lessons are every Tuesday and for those of you who have signed the form to take the instruments home, please bring these back in every Tuesday. The children are already sounding fantastic (albeit quite noisy!)

### Coffee morning next week

The coffee morning next week has an RSE focus. This is just as I have mentioned in previous newsletters, a recap of the session from last year where we looked at the relationships and changing units of our PSHE Jigsaw scheme. These units take place in the summer term for both classes. All welcome however.

### Trauma Informed Practice

As many of you know mental health and wellbeing is an area I am extremely passionate about and earlier in the year I told you that we have embarked on the Trauma Informed Network sessions run by the Diocese. This is a 2 year project. I would like to share with you some of the areas we have been looking at, some areas of personal interest and ways that we can support our children both at home and at school. This session will be open to parents and staff together, with others who are involved in the school invited too e.g. IEB, volunteers etc. This will take place next term and further information will be shared with you nearer the time. I hope you will be able to join us.

### Spare shoes

We still have some children not bringing in wellies or spare shoes to school. Please can you make sure that your child has a pair in school every day.

*With God's  
love we can fly*
