Cold winds, warm hearts...

Dear Parents

Well, what a change for the weather! Very windy and cold.

This coming week we will see the start of December- where has that time gone?

Advent

The children will be bringing home a laminated number 8 this week. This is so that we can join in with the HappyDays Living Advent Calendar. We are 'door' number 8 and so on the night of the 7th we will be placing number 8 snowmen up on our school fence.

Your child will bring home the laminated 8 sheet for you to turn into a snowman. You could use plastic bags for a scarf, bottles tops for buttons, material for hat (as long as it is well stuck on I am sure it will withstand the weather). Or you could use sharpies to simply colour it in. It is totally up to you. To make it even more fun, I am going to open it up to a little fun competition. A small prize will be given to an Oaks, Acorns and staff entry!

Christmas Play

We are aiming for the Christmas play to be on the 15th December – further information to follow on this this week but please put this date in your diary. We are continually reviewing and assessing the situation and guidance, especially given the news today about another variant. Therefore, please continue to check emails and messages for further information and guidance as to events etc.

I was also going to invite parents for mince pies and a singalong on the flexi's last day (16th December at 2pm). Again, hopefully we will be able to do this, but we will assess nearer the time. This is just an opportunity for you to sing some carols around our tree and enjoy some festive treats. This is also Christmas dinner and Christmas party day in the classes for the children. So lots of fun to be had.

Moving into the new year, I have proposed to the PTA that we try and run a family fun night too.

Well done!

We have had a lot of visitors into school this past week and we have some more coming in this week and they have all commented on how warm and welcoming the school is. Your children simply shine! Please pass on how proud I am of them.

Have a lovely weekend,

Mrs Gourley
