Payments Made Easy

Parent User Guide

Dear parents,

Welcome to **SchoolMoney**; an easy, safe and secure way for you to pay for your child's trips, dinners and other expenses online via your debit or credit card. The following user-guide has been created to take you smoothly through these processes so that you and the school can gain the most out of our system.

If you have any problems, or there are any questions that you have regarding paying, simply contact your school and they can get in touch with us!

1. The Basics – Logging in and making a payment

The school will send you an email or a text message to start the process. It will have all the information that you need to log on and pay the school.

The first thing you need to do once you have received the text message from the school is go to www.schoolmoney.co.uk. This will bring up a 'Parent Log In' page.

A screenshot of the SchoolMoney website's 'Parent Login' page. The page features the 'SchoolMoney' logo with the tagline 'Payments Made Easy' and three orange circles. On the left, there is a circular button with the text 'SCHOOLS click here'. The login section is titled 'Parent Login' and contains three input fields: 'Mobile number:', 'Email address:', and 'Password:'. Below these fields is a blue 'Login' button. At the bottom of the login section, there is a small blue circle with a question mark and the text 'Click here for help'.

Simply type in your mobile number email address and password (this will be on your text message) to log in. If you have problems logging in at all, it may be because the mobile number or email address do not match the ones the school has. Call your school to double check this and if they have further problems then can contact us.

Once you press log in it should take you to a page that asks for your child's first name. This is the **first** name only.

Please Confirm Your Child's Name

This will take you a screen where you can input your card details. You will have to do this every time that you want to make a payment due to security on the system.

A box will pop up letting you know that your payment has been processed and an email receipt will be issued to you shortly.

Shop and Dinner Top Up

If your school do not use dinners through our system or have not uploaded any items to the shop then you may bypass this section.

On the right hand side of the screen you will see a school shop option. There are two sections to this. The first is the 'Dinner Top Up.' You will see this right at the top of the school shop.

This will give you a view of everything that has been paid by you to the school. Both online transactions and payments made in school will show up here so you can always keep track of what you have paid.

Once you have finished looking into your history you can select the drop-down box top left. This will bring up a couple of other options.

FAQ

Do I have to pay online?

Your school office may still allow you to make payments in school with cash, cheques, cards and vouchers. Please check with your school.

Do I have to pay for the whole expense in one go?

No, the school office may set up instalments for a payment. This will depend on the school and the type of payment.

What happens if I change my mobile number or email address?

Make sure any changes to your contact details are passed onto the school as soon as possible. If there are any delays you may not receive new payment messages, and you could have problems logging in to **SchoolMoney**.

Does SchoolMoney store my card details when I make a payment?

No, each time you start the payment process you will need to enter your card details. No confidential information is stored, making the process highly secure.

What happens if I have more than one child at the school?

For each child you will receive a text message and/or email stating you have a new payment to make. However if you sign in for one child's account the rest of their siblings payments can be viewed and paid for, making it easy and straightforward to pay for your children's expenses.

What happens if I forget my password?

The password and payment details will be in each payment message that the school sends out, so don't worry if you forget the password or delete the message the school has sent you. The school can also re-send your password details, just speak to someone in the school office

If you come across any problems with logging on or you would like to query anything showing on your system, please contact your school directly and if needed they will contact us.
