

# Huxley CE Primary Update Letter

09.05.22

Dear Parents

I hope you are well and have enjoyed some sunshine this weekend.

## **OfSTED**

We are now in the position whereby we can share the Ofsted report with you. We aim for this to be sent out to you on Wednesday of this week. We will then provide you with an opportunity to meet the team the following week, to discuss the report in detail.

## **Year 6**

Our Year 6 children are coming closer and closer towards the end of the year. Two of our children are taking their SATs tests this week. We wish them all the luck and remind them that they are amazing in all they do!

Our exciting residential is taking place on 14<sup>th</sup> and 15<sup>th</sup> June. Please find the activity timetable and kit list sent in a separate email (year 6 parents only). We have managed to get the cost down further to £100 per child which I think is great value for money when you look at all the activities they are doing. You are able to pay this in instalments or in full. Please see Miss Lloyd to arrange this. I will hold another meeting nearer the time with parents just to go over any questions you may have and share the itinerary and kit list again. I have also put together a FAQ sheet to share with you.

## **Sad news**

Unfortunately, I have some sad news to share with the school community. One of ex-governors, Tom Hobbs, who was a governor here at Huxley until October 2022 has sadly passed away. His funeral is taking place this week and we will be sending our condolences, prayers and love to his family from the school community, at this very difficult time. He really did have the Huxley children at the heart of everything he did and his support for the staff and the school was always very much appreciated by all. He will be very much missed by the community.

Take care

Many thanks

*Mrs Gourley*

*With God's  
love we can fly*
