All things bright and beautiful ...

Dear Parents,

Well what a colourful week we have had! Thank you for taking part in our Autism Awareness Colour day. The children looked great- a true rainbow spectrum of colour. Over the past two weeks we have watched a few videos of children talking about what it is like living with autism- whether themselves or family members or friends affected by autism.

Yesterday we watched facts about autism written by autistic children- you may want to watch it yourself via the link below. It opened a really good discussion about some of our friends at Huxley and it was lovely to see the children sharing their own experiences. I was very proud of the maturity, care and understanding shown. Well done children. We raised an amazing £110 for our Spring 2 Care in the Community project. Thank you for helping raise awareness but also supporting a great cause.

I am pleased to say Oaks Tenor Horn sessions will continue after half term – due it being a short 5 week term and with strike action and snow days etc affecting the ‘norm,’ it was felt that it wasn’t fair to stop lessons yet. We also would like to share their pieces with you as we did last year so more details after Easter break on this.

Thank you for your attendance at the Easter worship (and for your wonderful acting skills!) Thank you also for attending the parent consultation afternoon too. As always it was lovely to see you all in school. Thank you for all of your kind feedback too. Next term we will have some more Come Learn with Me sessions- this first being maths. I will also be running some parent maths workshops. So lots of things coming up.

Just a reminder- after the children have been handed over into your care at the end of the day please be mindful of where the children are and what they are doing on school premises as they leave and outside the school gates - unfortunately the side wall has been used as a climbing wall again and the fence had been pulled back. The land behind this is not school property. We are starting to see some damage to the wall itself. In addition, some children have been swinging on the gate as they leave, which has meant that new hinges and stoppers have had to be put on by Andy today. I would really appreciate your help in keeping our school environment and pupils safe.

I hope you all have a wonderful Easter break and we look forward to welcoming you back next term- can’t quite believe that when we come back it will be summer term already.

Many thanks

Mrs Gourley

*With God's
love we can fly*

DIARY DATES 2023

28.03.23- Easter Worship- parents welcome to join us for our worship after drop off

29.03.23 Colour Day-Autism Awareness

I love the humour of our children and also the fact that their confidence has grown so much since being with us at [Huxley CE Primary School](#).

This pupil came and knocked on my door (with such a serious face) to tell me that there was a leak at the sink... a leak! I forgot that it's April fools tomorrow and we are not in school. Definitely put a smile on my face this morning!
