Best week, by par...

*With God's
love we can fly*

Dear Parents

Apologies for my awful pun! We have had such a fun week at school this week. A highlight for the children was our Golf Experience Day. On Wednesday, Stu Warren came to deliver a Golf Experience Day for all of our children. Stu is a PGA Professional and junior specialist who introduces primary aged children, throughout Northern England and East Midlands, to the amazing game of golf! The children learnt so much in one day- it was great to see their confidence grow and develop as they moved through the activities. The feedback from the children was amazing-they thoroughly enjoyed it.

We also had another visit and drop in session with our upcoming CEO of CDAT, Neil Dixon. It was great for our staff to have some time with him to talk about the conversion and then we had a few parents drop in afterwards too. Neil and his team will be in and out of school regularly over the next few weeks and months. We have already had a visit to see our EYFS set up and we have had two enquiries from other visitors interested in our approach to flexi schooling. It has been a busy but exciting week, with lots of projects and events planned for the new year.

Thank you to those who attended the coffee morning- as always it was lovely to see you all in school. Next week is our Come Read with me session. This time we are running it a little like our Come Learn with me sessions, in that we would like to invite you in to the classrooms to see how we run our RWI phonics sessions and our VIPERS comprehension groups. We are going to have both sessions running at the same time so if you have siblings you are more than welcome to walk between the two classes and see how we run both sessions. We will direct you as to where all the groups are. You can come in to the reception area after drop off and then after the register has been taken, the staff will invite you in. Phonics finishes at approximately 9.30am. Following this you can pop along to the hall for a coffee and the reading caravan will also be open if you would like to have a look inside, if you haven't already had the chance to go in that is! We will finish at 10am.

Year 6 also have their Crucial Crew workshop which is in Chester. We do this 'Staying Safe' workshop every year for our Year 6 cohort. Please can you make sure that you have signed the permission slip before Thursday. You can pick this up from Mrs Chilton on Monday or Tuesday if you haven't already.

Many thanks

Mrs Gourley

DIARY DATES 2023

14.11.23 Odd socks day (Anti Bullying week) and Golf Experience day

15.11.23- Coffee morning- with Sarah

(SENCo)
