It's behind you...

Dear Parents

Yesterday we had our wonderful panto trip. It was so much fun. It was a real 'moment' for staff too – seeing our whole school on a trip, travelling by coach. They were a real credit to us. The coach driver commented on how polite they were and the staff at pantomime said they were lovely too. The awe and wonder on their faces as they watched the panto was so special. Apologies for the late return, the morning performance had over run. Well done Huxley Team!

Next week is Nativity at the church. Thank you to everyone who offered to drive straight to the church, it really helps. For those children who are coming on the minibus, please arrive for 8.30 at school and wait in the entrance with Miss Lloyd. Andy will collect your children and take them down to the church. For those of you coming to straight to church, please could you arrive for 8.45 *at the latest* and then could you wait in the village hall and we will call parents in at around 9am so the children can get changed and ready. Many thanks for your cooperation with this. We anticipate the nativity to finish around 9.45am. Following this, you are welcome to have tea or coffee in the church hall if you wish.

On Wednesday we have our Christmas lunch in school- thank you for all your replies and orders. In the afternoon we have a very special visitor and treat for the children too.

Thursday is Christmas party day and then singalong at 2pm. From your responses we will have a lovely full hall- the singing will be wonderful I am sure! This is the last day for flexi children.

Friday- Christmas activities in class-thank you for your replies about Friday attendance. Just a reminder- we finish at 2pm

A plea for socks and trousers! We are really struggling for socks and trousers especially for the older children. Please can you make sure spare clothes and socks are packed in the children's bags and if you have any donations of socks and joggers that your children may have grown out of-we would be really grateful of these too.

Next week- the children can wear Christmas clothes all week if they wish!

If you haven't seen our post of Facebook about sharing in the tradition of Las Posadas. Mary and Joseph are going to be travelling around our school community over the next week so please do share your photos with me as they seek shelter in your homes!

Many thanks *Mrs Gourley*

*With God's
love we can fly*
