

With God's love we can fly

HUXLEY CE PRIMARY SCHOOL

Newsletter

26th January 2024

DEAR PARENTS/CARERS...

An 'event-full' newsletter this week-

It was lovely to welcome the story tents back this week- the Acorns had a great time exploring the book SuperTato. For pictures- see our Facebook page. The children really enjoyed it.

We have had so many visitors this week it has been lovely to show them around our school. The carpets are very nearly done and it looks wonderful.

GIRLS FOOTBALL EVENT

It was lovely to attend the second of the CDAT football events at Chester FC. This time it was an all girls event. Three of our girls attended and were an absolute credit to the school, as the boys were last week. They got to do a tour of the ground, a Q&A session with one of the players and then did a training session and a full match. It was great fun.

UPCOMING EVENTS

Coffee morning- 31st- as mentioned it would be lovely to see as many as we can at the coffee morning on Wednesday. Ex-pupils and families have asked if they can attend - of course they can- it would be lovely to see them all again, so please do spread the word.

Year 6 have been invited to an event at Tarporley High School too- they are going to watch the dress-rehearsal of their play- Matilda- on 6th February at the school, which will be a great experience

Thank you to the people who have let me know that your child is taking part in Huxley's Got Talent on 13th February- it looks to be a very exciting event!

We have a very exciting visit lined up for the children too... we have Bishop Mark coming to visit our school in March which will be wonderful. We can't wait to show him our special little school but also for him to lead our worship that day too!

We also have an exciting event lined up on Science week in March - a cross curricular circus science skills day - forces in motion!

HAVE A WONDERFUL WEEKEND

DIARY DATES
