### DEAR PARENTS/CARERS...

Well what a week!

I am incredibly pleased and proud to say that we are now officially part of CDAT. We are excited about our next chapter as a school and what being part of such a strong network of schools will bring. We have already had lots of contact from the CDAT team and they have been so warm and welcoming with endless support to aid the smooth transition from one system to another. Please have patience with Miss Lloyd and I, over the coming week as we will be busy making sure everything is set up and moving across all of our systems etc. It shouldn't impact on yourselves and our usual parent contact and payments etc -on your side- will remain the same.

We have had a really positive week in terms of lots of interest in our school and our approach too, which is lovely. Next week, I am delivering a SEND webinar as part of the CEFEL SEND network - it will be lovely to share our journey as a school to this point but also the extremely strong parent partnership we have as joint educators. We definitely have something to celebrate

### COFFEE AND CAKES

Thank you so much for all of you who attended the coffee morning- it was lovely to celebrate together. It was also lovely that our pupils came in to 'mingle' with everyone too. They definitely enjoyed the cake!

### HUXLEY'S GOT TALENT

Gosh we already have a huge line up! It looks like it will be a lovely event again this year! Just a reminder that this event will start at 3pm and please be mindful of where you park outside of school.

### MESSAGE FROM ETHOS GROUP

The Ethos Group have chosen the 'Care in the Community' project for this half-term. As they have been looking at sustainability, they suggested doing a Swap Shop, to recycle unwanted toys, clothes and shoes.

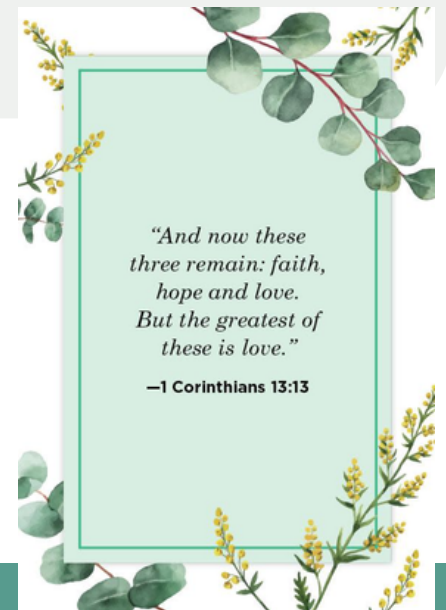

Please bring in items of unwanted toys, clean shoes and clothes in good repair, ideally by Tuesday 13th February.

Children receive a token for each item they bring in and they then can use it to 'buy' items in the swap shop. The swap shop will be on Thursday 15th February, the last day of this half term.

### HAVE A WONDERFUL WEEKEND
