DEAR PARENTS/CARERS...

FLYING THE HUXLEY FLAG!

Yesterday I was lucky enough to be invited to a conference in London to share our flexi-journey and also the findings from my recent trauma informed research to secondary colleagues. It was great to be able to discuss and explore what flexi could look like at secondary level. There was some great conversations had and there was a really positive response to our little school and what we do! Obviously being a national conference with colleagues from all over the UK, it was great to be able to share what flexi is- in the hope that provision expands for other children around the country too. It is only tiny steps but tiny steps lead to great things! Very proud of our wonderful little school!

STORY TENTS

Thank you to the parents who attended the story tent session for our current Reception class. It was lovely to meet some of our new Reception intake for 2024 too, as well as our new starters from Acorns. We will be repeating the story tent event for Reception and new starters on Wednesday 1st and Wednesday 8th starting at 1.15pm this time. We have also invited our 'Little Seeds' play group who come to school on Fridays. So there may be some new faces too.

TROMBONE AND TENOR HORNS

This week Oaks were able to take their instruments home to practice- please make sure that these are brought in every Tuesday for lessons. There are no spares if they forget unfortunately. Also please make sure that the children look after them whilst at home- as per the signed agreement, any damage will need to be paid for as these come straight from the Edsential Music hub.

SWIMMING

Swimming is every two weeks but for a hour, so they have a longer time spent in the water as oppose to the half an hour sessions they were having. The sessions are on 25th April, 9th May, 23rd May for this term and then will continue after half term

MESSY CHURCH AND COFFEE MORNINGS
