### DEAR PARENTS/CARERS...

This week we had a really successful Careers day for years 5 and 6. In the morning they shadowed a member of staff and got to ask questions about their career and day to day jobs and then in the afternoon we had a mini careers fair. A huge thank you to the parents (and Mrs Fearnley's husband) who came and talked to the children about their careers. We had such a wonderful variety of careers- from researchers to engineers, dj's to pilots, lead zoo keeper to community development managers. The children said they really enjoyed it and found it really interesting. They came up with a list of words to describe their findings- hardworking, resilience, flexible, continued learning, passionate were all words they came up with to describe the visitors and staff in their school. When asked what they want to be when they are older, we had a wonderful range of exciting careers discussed. I can't wait to find out if they end up in these exciting roles- I really hope they do!

This week we also had our wonderful years 2's complete some assessments for us. Five of the years 2 children are our 'original flexi's'- starting flexi in Reception class and now in year 2. It was amazing to see their fantastic results and it is a true testament to the wonderful staff and parents as co-educators and all their hard work but more importantly, the incredible children and the journey they have been on to this point. I was unbelievably proud to see such resilience and determination in them- they said they actually enjoyed them! You must be very proud- I know we are!

SWIMMING- Reminder- we are doing a taster session for years 3 and 4 in swimming on Thursday 27th June. Please ensure your child has a swimming kit on that day.

MUSIC- On the 2nd July, our external music provider, Janet from Edsential's Music Hub would like to invite parents in to hear the wonderful music the children have been learning whilst doing their brass lessons. Some children have been learning tenor horns and others have been learning the trombone. You are welcome to join us in the hall on 2nd July from 9.15 to come and listen. We hope you enjoy!

RESIDENTIAL- the year 6's have their residential this coming week. please can I ask that parents don't walk around to the field at pick up, as there will be lots of activities out and a huge climbing wall will be on site.

HUXLEY FAMILY CAMPING- I love that our Huxley Family want to meet up even in the holidays- Katalin Cook (Ella and Samu's mum) is organising the Huxley camp again this year. They are hoping for it to take place around the 27th August but further information is to follow. Please catch her on the playground if you and your family are interested in going.

SUNNY DAYS- Please can you make sure your child has a water bottle and suncream (named) - we are due some very hot weather (finally!)

Have a wonderful weekend  
Mrs Gourley
