Busy Bees...

Dear Parents

This week brought about the first job for our Mini Governors. They went to the classes and asked for ideas for our very own school prayer. The children came up with some wonderful ideas and here is the end product...

Our School Prayer
(written by the children of Huxley School)

Dear Lord
Bless our school and our lovely teachers
Thank you for our world around us-the flowers, the trees
and the birds that sing
Thank you for our family and friends
and those who care for us
Help us to be kind to everyone, care for the world around us
and love one another.
Amen

Well done Mini Governors, first important job completed!

Oaks have been busy this week, celebrating Chinese New Year, making dragon models, trying to write in Chinese and even trying chopsticks! In history this week they have been looking at the process of mummification and even wrapped themselves up as mummies!

Acorns have been continuing with their amazing English work. They are now working on the book Lost and Found and enjoying reading and retelling the story. They are exploring habitats and living things in science and are already blowing Mrs Patel away with their scientific knowledge!

We had a visit from the Canal and River Trust this week to help children understand how to stay safe around water. This is the first in a series of visitors and workshops we have arranged to help the children to know how to stay safe.

Next week is a busy week for all. It is Children's Mental Health Week and it is also Internet Safety day on the 8th. Please note that our Oaks children have a special guest in on Tuesday and so they will be doing internet safety activities on a different day.

Parent Governor Vacancy

We now have a parent governor vacancy on the governing body. If you are interested in joining our governing body, please keep an eye out for the details to be sent out this coming week.

Many thanks

Mrs Gourley

*With God's
love we can fly*

DATES FOR YOUR DIARY
