Dear Parents

What fun we had yesterday for World Book Day! Many of us dressed up as our favourite book characters. We did book hunts around school and watched the Masked Reader. Have a look at our Facebook Page to see some of the videos. It was hilarious trying to guess who was who. Well done to Ollie and Poppy in winning the prize for most correct guesses. Please see photo's below.

A huge thanks to the parents that attended the reading workshop. It was lovely to finally get together properly face to face as a group and for us to share our vision and approach to reading at Huxley. Thank you for the lovely feedback too.

Next few weeks- we have lots of exciting events coming up.

Next week, on Thursday 10th, is Huxley's Got Talent. We only have a few people who want to be involved but we will still go ahead with the event. After school, all children who would like to take part will take to the stage in the Hall. All are invited to watch. We have some special guest judges and a small prize and trophy for the winner/s. Please remember the children can enter in pairs/groups.

The week commencing 14th is Science Week and there will be lots of scientific investigations taking place. Mrs Chilton, as Science Lead, is going to start the week of with a bang and set a scientific challenge for the children to complete over the week.

We are also having an Art day (provisional date 23rd March TBC). With the help of some of our parents who have volunteered to share their artistic skills and expertise we will be taking part in printing activities and the children will also be doing a whole school art display with myself.

Parental Questionnaire- You will shortly receive a parental questionnaire. I would really appreciate your thoughts and viewpoints – these are really important to us. Please could you either complete it electronically and return to myself or admin or hand write it and return it to us at school. For those who need a printed copy please do obtain one from the office next week.

Parent Governor- Sorry for the delay with this but the information you need **will** be shared with you shortly. I am really pleased to have already had a few people make enquiries.

Covid updates- please see attached letter with regards to the new phase- 'learning to live with COVID 19'

Staffing updates. We have now appointed a KS1 teacher. We are extremely pleased to be welcoming the successful candidate and we will be in a position to share who it is with you early next week. We also have Mrs Christopher staying with us as a 1:1 TA and Mrs Chilton is now working full time at Huxley. Mrs Chilton is now also our Deputy Designated Safeguarding Lead alongside myself as DSL. Well done all. We make a great team!

Many thanks

*With God's
love we can fly*

DATES FOR YOUR DIARY

2021

3rd March- World Book Day
