Spring has sprung...

Dear Parents

Finally feels like Spring has arrived (officially spring equinox this weekend) the flowers are blooming and the sun is shining. There is something magical about spring- fresh new starts, time for change.

As per my letter that you received at the start of the week I would like to thank you for your support last week and I will, as soon as I am able to, share findings and outcomes with yourselves. We will also be having a face to face meeting shortly too.

Moving forwards-

Come learn with me- now that we can safely have parents back in school we can start our Come Learn With Me sessions. Our teachers will be letting you know the dates for these. We will not be doing these on the same day so that you can go to both if you have siblings across classes. Our first will be for an English lesson so you can see our new writing scheme of work in action. We are really enjoying this book-based writing scheme and the children's writing has really come on. The difference from their start points to now is really noticeable.

Uniform- our PE stock has really depleted recently and I am wondering if it may be because some children have had to take some home, as spare uniform, when they have fallen over in the mud etc and it has not been returned. If you want to keep hold of the PE kit then if you could give a small donation to the school fund, that would be very much appreciated. If you are still wanting PE kit please let us know and once again, all we ask is for a donation to school funds as these did cost a lot of money brand new and the majority is in pristine condition.

Science Experiment- reminder!

The children have been doing some great scientific experiments this week for science week. You will also have received a letter regarding Mrs Chilton's science challenge. Just a reminder these are due back next Tuesday.

Huxley's Got Talent

Unfortunately, due to last week's visitors we had to postpone Huxley's Got Talent. We aim to reschedule this for 31st March- the last day of term for the flexi children. We have combined this with the brass performance (so the KS2 children can share what they have been working on) but also our recorder club performance. The event will start at 2pm.

Parents Evening

This will now take place the first week back after Easter. You will receive information with regards to this and booking times next Tuesday.

Many thanks

Mrs Gourley

Reflection Point/Quote-

"The greater your storm, the brighter your rainbow." — unknown

*With God's
love we can fly*
