## Come Learn with Me...

Dear Parents,

It has been so lovely to welcome the children back after their Easter break. Lots of happy smiles came bounding into school on Tuesday.

This week saw the first of our long awaited Come Learn with Me sessions. The Acorns had theirs on Wednesday and Oaks on Thursday. It was so lovely to hear the 'buzz' coming out of both rooms. The children enjoyed having you in school too and showing you their wonderful work and how far they have come on since September. Well done all!

We will have more of these sessions throughout the rest of the year, just so you can get a feel for what we do and how we operate here at Huxley. I had some lovely feedback from one parent after the session that said she had really enjoyed it but also how lovely it was to see her child within the classroom environment and his interaction with his peers.

We also had parents evening which ran incredibly smoothly this time and we all finished on time too which almost never happens in any school! So thank you for aiding the smooth running of this event. Please remember parents evening are not the one and only moment to talk about your child, we are always happy to meet with you away from these more formal parents evening sessions.

Just a short reminder for you however... as many of you are aware wellbeing is really important to me and I am aware that some of my staff are receiving emails late in the evening and on weekends. Whilst I do not want you to stop contacting us, I just wanted to send a polite reminder that it may be the next day or next working day before they read or reply to it. I know they are really good at communication with you but I also have to be mindful of their work-life balance too. So as I said please do send us your messages but just be mindful of the response times on communications. We are only a small staff and we all have many hats!

Clubs- next week we have Tuesday- construction club (which includes blocks, knex etc but also Lego for our avid enthusiasts), Wednesday is recorders. Thursday is sports. There will be a couple other clubs starting soon too and I will inform you of these in the coming weeks.

Please note on dates- rescheduled Tenor Horn performance!

Have a lovely weekend,  
Take care,  
Mrs Gourley

*With God's  
Love we can fly*

### DATES FOR YOUR DIARY

2022
