Dear Parents

I hope you are well

OfSTED

Thank you for all your kind words of support this week. We have been overwhelmed with emails, letters and words of encouragement about moving forwards as a community. I have been informed today that Ofsted will not be publishing the report on Wednesday as I had previously mentioned. Due to receiving further information there will be a delay on the publication of the report. I know a few of you had questions to ask, I am hoping that we may be able to answer these next week, at the meeting, but I will of course keep you all updated as to whether this may need to be delayed or not.

Year 6

Two of our eight Year 6 children took part in their SATs this week. It goes without saying how incredibly proud we are of them. They took it in their stride and finished them on Thursday with smiles on their faces. It may have helped that we treated the whole school to a visit from the ice-cream van straight afterwards too! What a treat!

New Equipment

Back in October we started to look into new equipment to replace the rotting old climbing frame. We wanted to replace it with a like model but it was proving far too expensive to prepare the ground below due to fall eights etc. We searched and searched and managed to get a new trim trail in budget. It finally got fitted this week and we are very happy with it- much more in keeping with our grounds too. The children (and some staff!) have loved playing on it this week.

Have a lovely weekend.

Take care

Many thanks

Mrs Gourley
