Buds in bloom ...

Dear Parents

It has been a long and difficult term for many of us and with the outcome of our Ofsted being as it was, we obviously were disheartened. As a team however we are now feeling optimistic about moving forwards. This was magnified by the amazing support from you, our parents. On behalf of the whole Huxley team, I would like to thank you for such an amazing turn out at the parents meeting this week but also your ongoing support for what we are trying to achieve here at Huxley. We appreciate that this is a worrying time for us all but I honestly believe moving forwards, in partnership, we can achieve great things. The majority of you were able to attend on Thursday but for those who didn't, our new Chair of Governors- Gail Webb- was there. She is keen to meet with parents on a regular basis so anyone who was unable to attend I am sure you will get to meet her soon.

Obviously the focus of the meeting changed slightly to discuss new governance and the schools position going forwards but I would still like to share with you the detailed feedback about the report when I am able to, just to highlight where we were, what we have done and what we have got planned going forwards. The report is still not 'live' as such so I will arrange another short meeting soon to address all of this.

This coming week we will be having jubilee celebrations on Wednesday. Your child can, if they want, come dressed in red, white and blue. They can wear crowns if they wish – anything Jubilee themed really. No Corgi's are allowed on site however! 😊

On Tuesday Mrs Patel is having a little afternoon celebration with her class and she has said they can wear party clothes on that day if they wish.

Rev Rhodes is keen to bring back Huxley Tots to school- promoting messy sensory play for babies and toddlers. She is really keen for volunteers to help with this. Please see our Facebook post about this or contact the school if interested.

There has been lots of interest in starting up a Friends of Huxley group to support the fundraising for the school. A discussion was had on Thursday about a social event to kick start this group so I hope to provide further information on this, this coming week. Thanks again for your fantastic support!

One more week and then half term – please note the dates at the side as it is a busy packed term ahead!

Take care

Many thanks

Mrs Gourley
