Right Royal end to term ...

Dear Parents

What a term it has been!

It ended on a lovely 'high' with our jubilee celebrations. The children have all created a tile which will form an outdoor display to commemorate the Queen's Platinum Jubilee. We also danced around the may pole and played jubilee bingo. Today our Friday group made Jubilee Trifle and made themselves into stamps with natural crowns! (See pics below)

Congratulations to Mrs Patel!

Yesterday Mrs Patel graduated with Msc in Psychology. Well done Mrs Patel- we are all so proud of you!

Swimming lessons start on 14th June for year 5 and 6. If you haven't returned your slip yet please make sure this is returned prior to this date.

Residential for Year 6 is the 14th (and 15th) too so these children will need to bring all of their 'kit bag' with them that day. They will go to swimming then on their return they will start their program of activities until bed time and then continue activities for the whole of the next day. There will be night staff from the OneAdventure as well as myself and Mrs Chilton staying over. I would like to meet briefly with year 6 parents on Thursday 9th at 3pm (before pick up) The children can join us afterwards too if they need/want to.

New starters- We look forward to welcoming our new Reception children to Huxley soon. Stay and Play sessions starting on Thursday 9th June at 1.15pm to help with transition to school. Our Year 2's will also be visiting Oaks class this term

Date for the diary- Family afternoon- Sports Day and Summer Fair. 23rd June

In the absence of a PTA at present I am proposing that we amalgamate our Sports Day with a small scale Summer fair to create a lovely Family afternoon. I thought this would give an opportunity for our new Reception parents to meet current parents too. I will just keep it to our school community for this event and then we can use this afternoon to help launch the new 'Friends of Huxley' that some of you had suggested at our last meeting. Going forwards we can then start to arrange further events that will help raise funds to benefit the children but also bring our community together regularly. We have Premier Sports in that afternoon organising the sports day and I will make sure that there's some parent and staff races too!

*With God's
love we can fly*
