Camp Huxley ...

Dear Parents

What a fantastic week we've had.

Year 6 residential

The year 6 residential was absolutely fantastic! The children were a true credit to you and were excellent representatives of Huxley. The Oneadventure staff commented on how polite and supportive they were to one another- so well done year 6 superstars! Mrs Chilton flew up the climbing wall- nearly as good as our very own spiderman- Noah. I cracked going up in style but no so much the coming down part- much to the hilarity of the children- little did I know they were filming me! The children took part in many activities including lazer tag, climbing wall, gutterball, archery, crepe challenge, spiders web, nightline and much more. It was so much fun!

Swimming

The year 5 and 6's also started their swimming lessons and were super brave in their first lesson in the pool. Well done!

New starters

Another new family started with us this week. We have welcomed three more children to the Huxley family. They had a fantastic start to school and have already made lots of new friends. We also met some of our new Reception children. Welcome all!

Family afternoon

This Thursday is our family afternoon (current and new parents and family members- grandparents, uncles, aunties etc welcome). It would be wonderful if you can make it. Please bring a picnic blanket with you and enjoy the activities. We will be starting with sports day and then we will have stalls in the hall- a duck race, guess the teddy's name, lolly picks, lucky dip, refreshments (hot dogs, tea and coffee, squash, ice pops and sweet cones), Play Your Cards Right, football challenge and a raffle. Following this we will have family games- rounders, May Pole Dancing and the Huxley Egg Throwing Competition (pre-warning- this may become messy!)

Any hands on deck on the day will be very much appreciated.

As you arrive please can you make sure that you sign in so we know who is with us on site during the afternoon. Also please, as always, be mindful of where you park so that you are not in front of neighbours driveways etc

Leavers Assembly

The year 6 leavers assembly is 20th July. It would be great if all parents can attend, not just year 6 so that they can have a really good celebration. Year 6 parents will have reserved front row seats.

Summer shorts, suncream and water bottles

Just a reminder that we are more than happy for the children to use their PE shorts this term rather than going out and buying shorts for the last few weeks of term. Also can you please ensure that the children either have 12 hour suncream on in the morning or that they bring cream with them to school. We have also noticed that there are a lot of children not bringing water bottles in. It is really important that the children have water with them especially so, in these warmer months. Many thanks!

Have a lovely weekend and we look forward to seeing you on Thursday

Many thanks

Mrs Gourley

*With God's
love we can fly*

DIARY DATES

2022

Reflection Point/Quote-

For Year 6...

"I'm not afraid of storms, for I'm learning how to sail my ship."
