Fun at the Fair...

Dear Parents

Another fun week had by all.

First and foremost, thank you to everyone who attended the Family Afternoon yesterday. It was so much fun. The children were fantastic in their races and despite the heat they gave it their all. The parents and staff races were a lot of fun too. Who knew Andy could run that fast? He's has kept that a secret! The games were a lot of fun too. I particularly enjoyed watching the children's faces on the Duck Race as the ducks kept changing position. The Egg Throwing competition was hilarious to watch too! Well done to Ella and her mum for winning the very first (first of many I hope!) Huxley Egg Throwing Competition 2022 trophies! A huge thank you to everyone who came along and shared in the fun and thank you for having a go at the raffle etc and purchasing refreshments. We raised £240!

A special thanks to Mitch's mum (for helping on the stalls), Ella's mum (for help on the day and providing the eggs), Anne and Malcolm Smart (for serving the teas and coffee and making the brownies), Barbara and Mac (Ian) (for the May Pole dancing) and all of the staff for their hard work to make this possible.

Leavers Assembly

Just a reminder that the year 6 leavers assembly is 20th July. This week a letter will be going out for tickets just so we can ensure that there is space in the hall for everyone. These tickets will be on first come, first serve basis other than year 6 parents who will have priority seating.

Clubs

On Tuesday there will be football club which will be run by Ella's dad and a member of school staff (usually myself). Tuesday is also construction club and Thursday is sports club. We may be asking for some people to stay on a Wednesday towards the end of term but this is for something top secret and we will let parents know when we need them!

Reminder- Summer shorts, suncream and water bottles

Just a reminder that we are more than happy for the children to use their PE shorts this term rather than going out and buying shorts for the last few weeks of term. Also can you please ensure that the children either have 12 hour suncream on in the morning or that they bring cream with them to school. We have also noticed that there are a lot of children not bringing water bottles in. It is really important that the children have water with them especially so, in these warmer months. Many thanks!

Queenie

You may have noticed Queenie on the bench outside school. This is part of the Happy Days Scarecrow competition. The children all designed a handprint. The Acorns created the hands for the handprint crown and necklace and the Oaks created the hands that make up the dress. Well done!

Star Writers

Well done to some of our Oaks children who entered a writing competition and have been told that their work has been chosen to appear in a book! I will share these with you soon but wanted to say how proud we are of them! Well done children!

Have a lovely weekend
Many thanks

Mrs Gourley

Reflection Point/Quote-

*"There is no need to act small when God is there
to give you strength to do great things."*

*With God's
love we can fly*

DIARY DATES

2022
