Thank you ...

Dear Parents

A short one this week but one full of thank you's... Our worship theme this term has been **thankfulness** so it seems perfectly fitting for me to do my own thank you's this week...I am grateful for so many things...

- **Thank you** to Andy for building the new tree house- it is finally up! Please see photos on our Facebook Page. We had so many problems with missing or damaged sections but it is finally up and looking great!
- **Thank you** to you, as parents, for being so active on Showbie and for sharing the wonderful things you've been doing at home.
- **Thank you** to Miss Lloyd- yesterday was a very busy day in the office but she took it all in her stride as usual!
- **Thank you** to the teaching and support staff who work tirelessly to ensure your children are happy and feel safe in our lovely little school
- **Thank you** to the staff who organised and helped on the KS1 Geography field trip. Please see our Facebook page for a video capturing parts of their day.
- **Thank you** to Rev Rhodes for welcoming the children to church yesterday as part of their Geography field trip. They had a wonderful time.
- **Thank you** to our wonderful electricians who are contracted to look after the electrics in our building but came to the rescue this week when someone (not mentioning any names!) pulled the photocopier wires out of the wall socket!
- **Thank you** to our contractors who came out to sort a wasp nest which was in our roof! Thankfully all sorted now.
- **Thank you** to our community for their ongoing support for the school.
- **Thank you** to Miss Totty for volunteering in school and helping our children grow
- **Thank you** to the Edsential kitchen staff of Tarporley CE Primary for preparing and delivering our wonderful food.
- **Thank you** to the Diocese for their ongoing support and reminders about wellbeing and self-care!
- **Thank you** to Mrs Churchill-Evans (S&L), our new SENCo Sarah and Pauline from Achieve 360 for working with our children to help them feel supported both academically and emotionally
- **Thank you** to the most important people- the children! We are so incredibly proud of them each and every day!

We talked in worship this week about the phrase 'count your blessings' We certainly have a lot of blessings to count.

Have a wonderful weekend,
Mrs Gourley

Sometimes children will bring things home they may need to finish or continue as a homework e.g. some research or a challenge or a 'make it' task. Please ask your class teacher if you are unsure as to what needs completing. Also check Showbie for updates/messages. You can upload photos or bring your homework in and we will upload it on there for you.
